# FOR THE NEXT FEW WEEKS WE'LL BE…

- **SHARING** the STEM interests or type of competition you'd like to pursue and forming groups
- **DISCUSSING** contact info, time availability, etc.
- **CREATING** presentations within each group regarding their central interest or competition

- **FOR CYBERSECURITY GANG:** Jason will be holding a meeting on the weekend teaching Linux 101! Timeslot will be negotiated for everyone interested!

# WHAT DOES THIS PRESENTATION NEED?

- What's the **NAME** of your interest or competition type?
- What does it **INVOLVE**?
- What are the necessary **SKILLS** needed to individually pursue knowledge in said interest/competition?
- What **COMPETITIONS** are offered? Do they entail anything in particular?
- What kind of **RESOURCES** are available?

At least one slide each!
